<sup>1</sup> New Covenant attempts to set its master academic calendar at least one year in advance. Changes to the master calendar are made only in cases of unforeseen conflicts or developments beyond the control of the administration. The information on this calendar, at this printing, may not reflect all school events and activities, some of which are yet to be scheduled. Those events that are listed, however, are not subject to change. All faculty, staff, or other individuals seeking dates for activities *not* listed on this calendar are asked to clear those dates with the administration before publishing an event to the parent community or student body.
