Bring on Meet Your Teacher Day

- 3 Reams White Copier Paper (20 lb., 92 bright)
- 2 Boxes of Tissues
- 1 Tub Clorox Wipes

Technology Needs

- **Computers:** Students will need a laptop* or desktop at home to access FACTs (for assignments and lesson plans and grades) and Office365 suite of products (an account is provided by the school) which include Outlook, Word, Excel, & PowerPoint. Students will need to maintain the login credentials provided by the school for both applications.
 - *The school maintains laptops that students can check out for individual periods during the day (never all day or overnight). Generally speaking, students in 9th and 10th *do not* need to bring a laptop to school on a regular basis. However, laptops are strongly encouraged for 11th and 12th.
- **Calculators:**
 - All School of Rhetoric students should have a basic scientific calculator that includes the trigonometric functions (sin, cos, tan) and inverse trigonometric functions (\sin^{-1} , \cos^{-1} , \tan^{-1}). These can be found for under \$15 and are utilized in science and math courses.
 - Students who register for Statistics, Pre-Calculus or Calculus should have a Texas Instruments graphing calculator (Ti-83 plus or Ti-84). ***Direct instruction in use of graphing/other advanced features is provided by the instructors of these courses for the Ti platform.*** Students utilizing other brands/platforms will have to seek similar instructions on-line, outside of class time.
